The year 1976 brings reflections to many people. On the 200th birthday of the United States of America, one remembers that long ago, a few people from different backgrounds joined together to form a bond of unity, courage, and loyalty that shall endure proudly.

On the same note, the sixteenth birthday of Woodlawn High School is celebrated this year. Formed from a handful of people from all parts, the legend of the Knight has grown to inspire an abstract feeling, one of unity, loyalty, and courage that is the pride of all Woodlawn Knights.

Once a person has experienced the unique feeling of being a Woodlawn Knight, he can never forget the everlasting friendships bonded during the years at Woodlawn.

The year shall be remembered for its Bicentennial nostalgia; but for the people of Woodlawn it will always be the year of the spirit.

Eight Members Receive All-State Honors

The 1976 Woodlawn band, under the direction of Mr. Jim Franklin, once again brought color and jive to the Knights. Not only did they bring sparkle and excitement to football games, but to the pep rallies as well.

Mike Thigpen, Cynthia Floyd, Candy Kunce, Nancy LeBarron, Lyndell O'Neal, Genia Smith, Cheryl Smith, and Matt Wisterman received invitations to participate in the All-Star Band in Baton Rouge in July. Flagline and rifles attended workshop at Northeast in July; Becky Williams, Anita Hall, and Susan Meyers returned with special honors. In February the band traveled to New Orleans for Mardi Gras.

The Band Parent Booster Club helped raise money this year by raffling a car in December to support activities.

Awarded Cheerleaders

Six dedicated girls promoted and maintained the incessant spirit of the Woodlawn Knights during the 75-76 school year.

Their duties were many, including painting posters, planning skits for pep rallies, selling game ribbons, practicing cheers, and making spirit tags for the football players before each game. The WHS student body displayed invincible spirit under the leadership of these six.

While attending SMU during the summer they earned one superior and three excellent ribbons in cheering competition. They were also honored with the National Cheerleader Association spirit stick, the highest award given at SMU's Cheerleader school.

Who's Who at Woodlawn became a new addition to the '76 ACCOLADE. Eight seniors were selected by the faculty and announcement of winners was not made until the yearbooks arrived in May.

Eligibility for Who's Who required that students be ranked in the top 30 of their graduating class. Students were chosen on the basis of scholarship, leadership, citizenship, and service.

Win or Lose — We'd Rather Be Knights

WHS20 Captain Shreve 6

With the aid of interceptions by Dean Warren, Scott McDonald, and one for a touchdown by Vic Minor, and a first-rate pass rush, the Woodlawn Knights soundly trounced the Gators 20-6 for the first win against them in five seasons. Outstanding offensive drives, with two scores by Arthur Alexander, enabled the Knights to break Shreve's 25-game regular season winning streak.

WHS 6 Parkview 7

Woodlawn played host to Arkansas' defending state champs and fell short of claiming their second win of the season by one point. Although the Knights completely dominated the game, the Parkview Patriots dominated the scoreboard 7-6.

WHS 13 Ouachita 21

Despite a remarkable aerial barrage by Doug Thornton and a 40-yard bomb to Rueben Moore, the Knights couldn't seem to tally enough points. The game was marred by six interceptions and four lost fumbles. Defeat became a reality though only after a Ouachita interception with eight seconds left in the game.

WHS 7 LaGrange 14

The Knights were without the quarterbacking experience of Doug Thornton, but sophomore quarterback, Rodney Poland showed his ability by passing 16 yards for a touchdown on Woodlawn's first possession of the game. However, the fourth-quarter blues plagued the Knights enabling the LaGrange Gators to hand Woodlawn their third loss of the season.

WHS 27 Airline 0

With Airline holding victories over Woodlawn for the past six years, the Knights took a giant step toward getting revenge by ripping apart the Vikings' defense and holding them scoreless. The win moved the Knights' season record to 2-3 while giving Airline their fourth straight year of homecoming losses.

WHS 42 B. T. Washington 6

The Knights quickly showed that they were to be a strong contender in district play by overwhelming the Booker T. Washington Lions in the season's 1-AAAA district opener 42-6.

WHS 21 Byrd 3

The Byrd Yellow Jackets posed no problem in district play as the Knights took one more step toward reaching the playoffs.

WHS 10 Fair Park 35

The Knights' first district loss of the year was to Fair Park as the battle of unbeatens in 1-AAAA turned out to be a highly defensive game. The Knights were completely dominant over the No. 3-ranked Indians in the first half with a touchdown by Phillip Jones, a 26-yard field goal by Mike Wilson, and the defense forcing the Indians' offense to turn over the ball five times within their own 35-yard-lines.

WHS 27 Huntington 0

Homecoming night was no disappointment as the Knights moved one game closer to securing a playoff berth and kept up the tradition of winning their homecoming games. Good defense kept the Raiders off the scoreboard.

WHS 27 Southwood 28

The final game of the '75 season was certainly the most heartbreaking as the Knights' hopes of getting into the playoffs were snuffed out for the third year in a row by one point. Perhaps one of the best teams in Woodlawn's history had to settle for another 5-5 season.

Queen's Crown Makes History

By Diana Robinson

The Homecoming crown which will be placed on Queen Sandra Alexander by Mr. Cook has an interesting history. It has been worn by 15 of Woodlawn Homecoming Queens and originally by a teacher.

Mrs. Sylvia Adams, a former senior English instructor and now a counselor for Southwood, wore the crown during her reign of Miss Lincoln Parish in 1956.

She offered the use of her crown for Deborah Boring, Woodlawn's first Homecoming Queen, when the school first opened in 1960.

Mary Nell Hooper, wore the crown for the first official Homecoming in 1961. Since then Sharon Allen in 1962, Barbara Norred in 1963, Brenda Boyette in 1964, Susie Wright in 1965, Terry Woods in 1966, Marty Godwin in 1967, Linda Dahmer in 1968, Pam Knight in 1969, Carla Quinn in 1970, Marsha Knight in 1971, Terri Alexander in 1972, Dodie Miller in 1973, and Kathy Sweedar in 1974.

One year Mr. Cook,then assistant principal, was given a police escort back to Woodlawn to get the crown, locked in the vault. The combination would not work and he returned to the stadium empty-handed.

The ceremony went on as scheduled without the crown. It was worn only for official pictures.

Castle Comes Alive With HERALD

Members of the 1975-76 HERALD Editorial Staff were known for their outstanding features — hard work and dedication.

With Mrs. Carole Henderson, sponsor, the HERALD Editorial Staff achieved their goal by publishing eight school newspapers.

Gathering and sending news to the Shreveport TIMES and JOURNAL was a time-consuming and important project of the staff.

This year's HERALD participated in selling items at the Steamer games, along with candy and candles at school and in the community. During the spring the HERALD staff visited Louisiana Tech, Northeast University, and attended "J" Day at Northeastern.

HERALD Ad Staff Gains Sales Experience

The football program proved to be a success by completely selling out at each home game.

ACCOLADE Receives 'A+' Rating At NLU

Work on the 75-76 ACCOLADE continued from day to day throughout the year until the last deadline was completed in February. Writing copy and headlines, cropping pictures, and drawing layouts were a few duties performed by the staff.

Supervision of the yearbook composition by Miss Loper and Mrs. White proved valuable in the production of the 1976 ACCOLADE.

During the summer a seminar was held at Northeast in Monroe. Ideas were assembled into an outline for this year's book. While attending the seminar several awards were presented to the staff as well as individuals.

Distribution and sales of yearbooks were also responsibilities attended to by staff members. Mrs. Jeanette Collins proved indispensable while assuming the position of advisor for the staffs.

WESTERN ELECTRIC: We're Part of the Bell System . . .

1876

1907

1919

1964

1976

The story of the invention of the telephone begins officially on the night of March 10, 1976: "Mr. Watson, come here; I want to see you!" These historic words, the first sentence ever transmitted over an electric telephone, were uttered by Alexander Graham Bell when he accidentally spilled acid on his clothes. The acid was part of the transmission apparatus, called the "Liquid Telephone"; the receiver was a tuned reed.

From that beginning, the telephone has grown to become a necessary part of everyday life. In 1976, the Bell System has nearly 120 million telephones in service. Worldwide, there are about 350 million telephones in service, 99.5 per cent of which can be easily reached by the Bell System.

The Shreveport Works of Western Electric plays a significant role in the telephone story. Right here in Shreveport, we manufacture over half of all new telephone sets for the Bell System, giving our city the distinction of being the "Telephone Capital of the World."

Our 5,400 employees will continue to provide South Central Bell and the other Bell companies with quality telephones and related equipment. Western Electric's Shreveport Works: We're part of the Bell System . . . We make things that bring people closer.

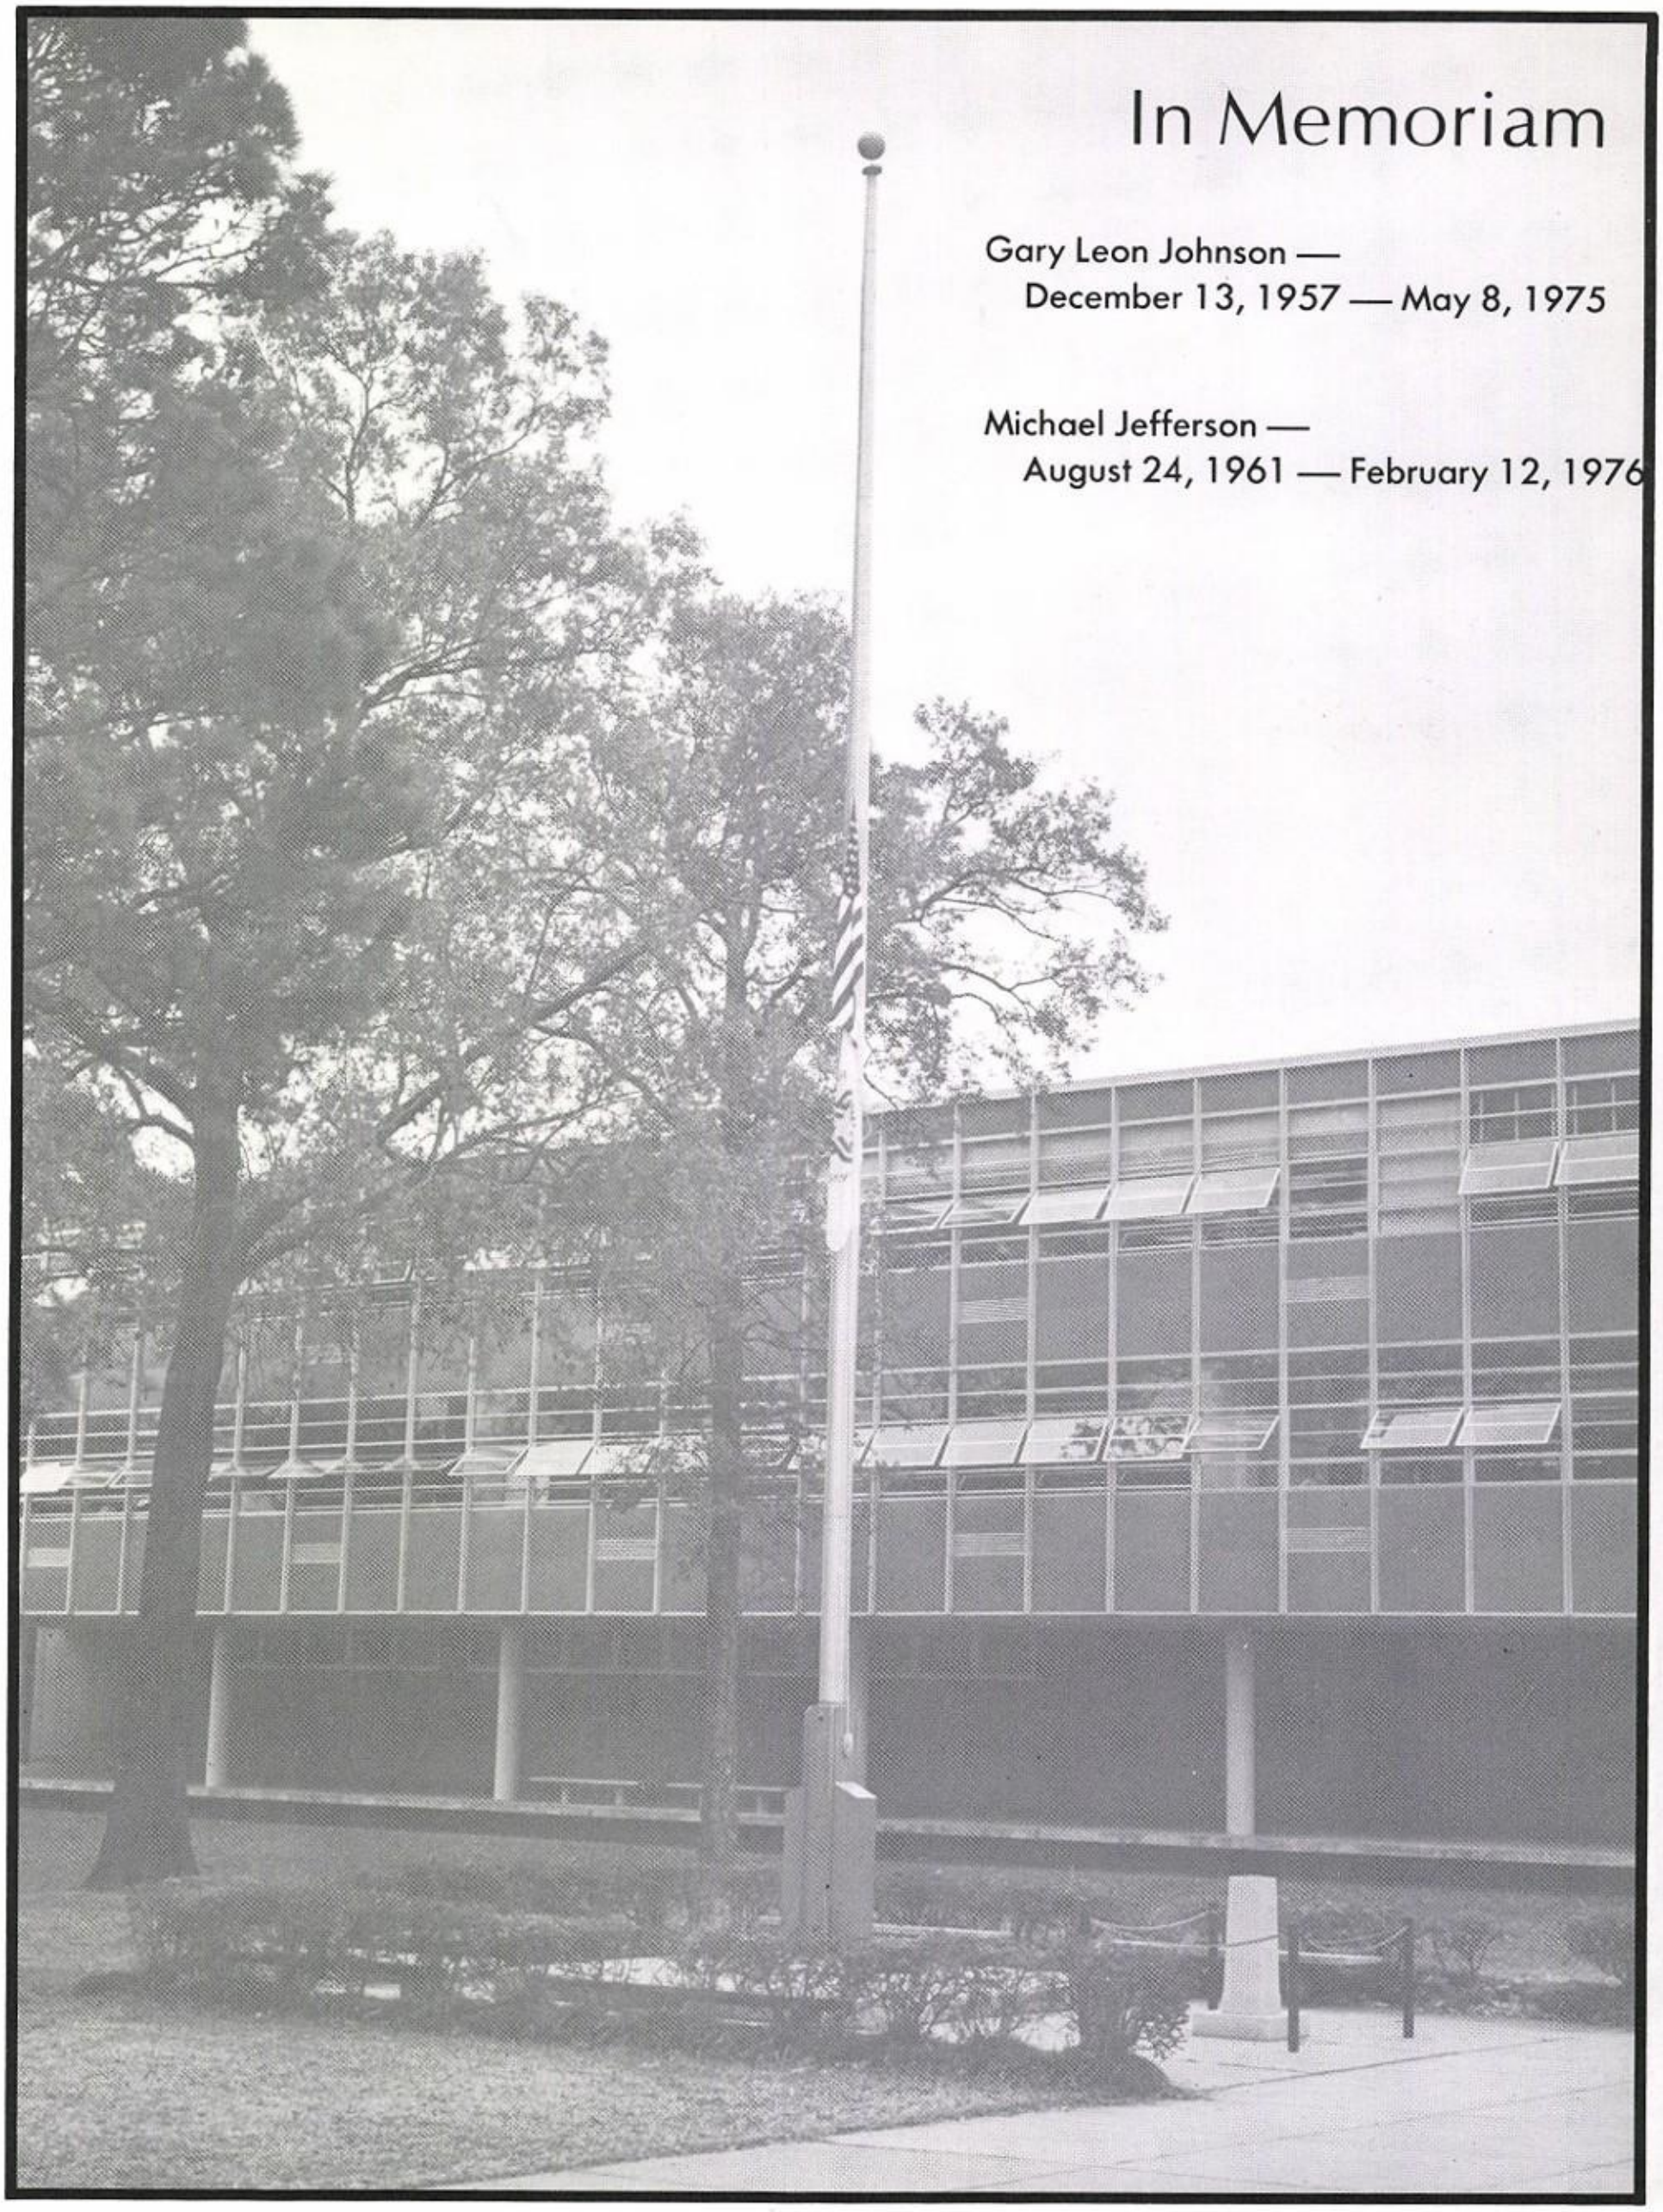
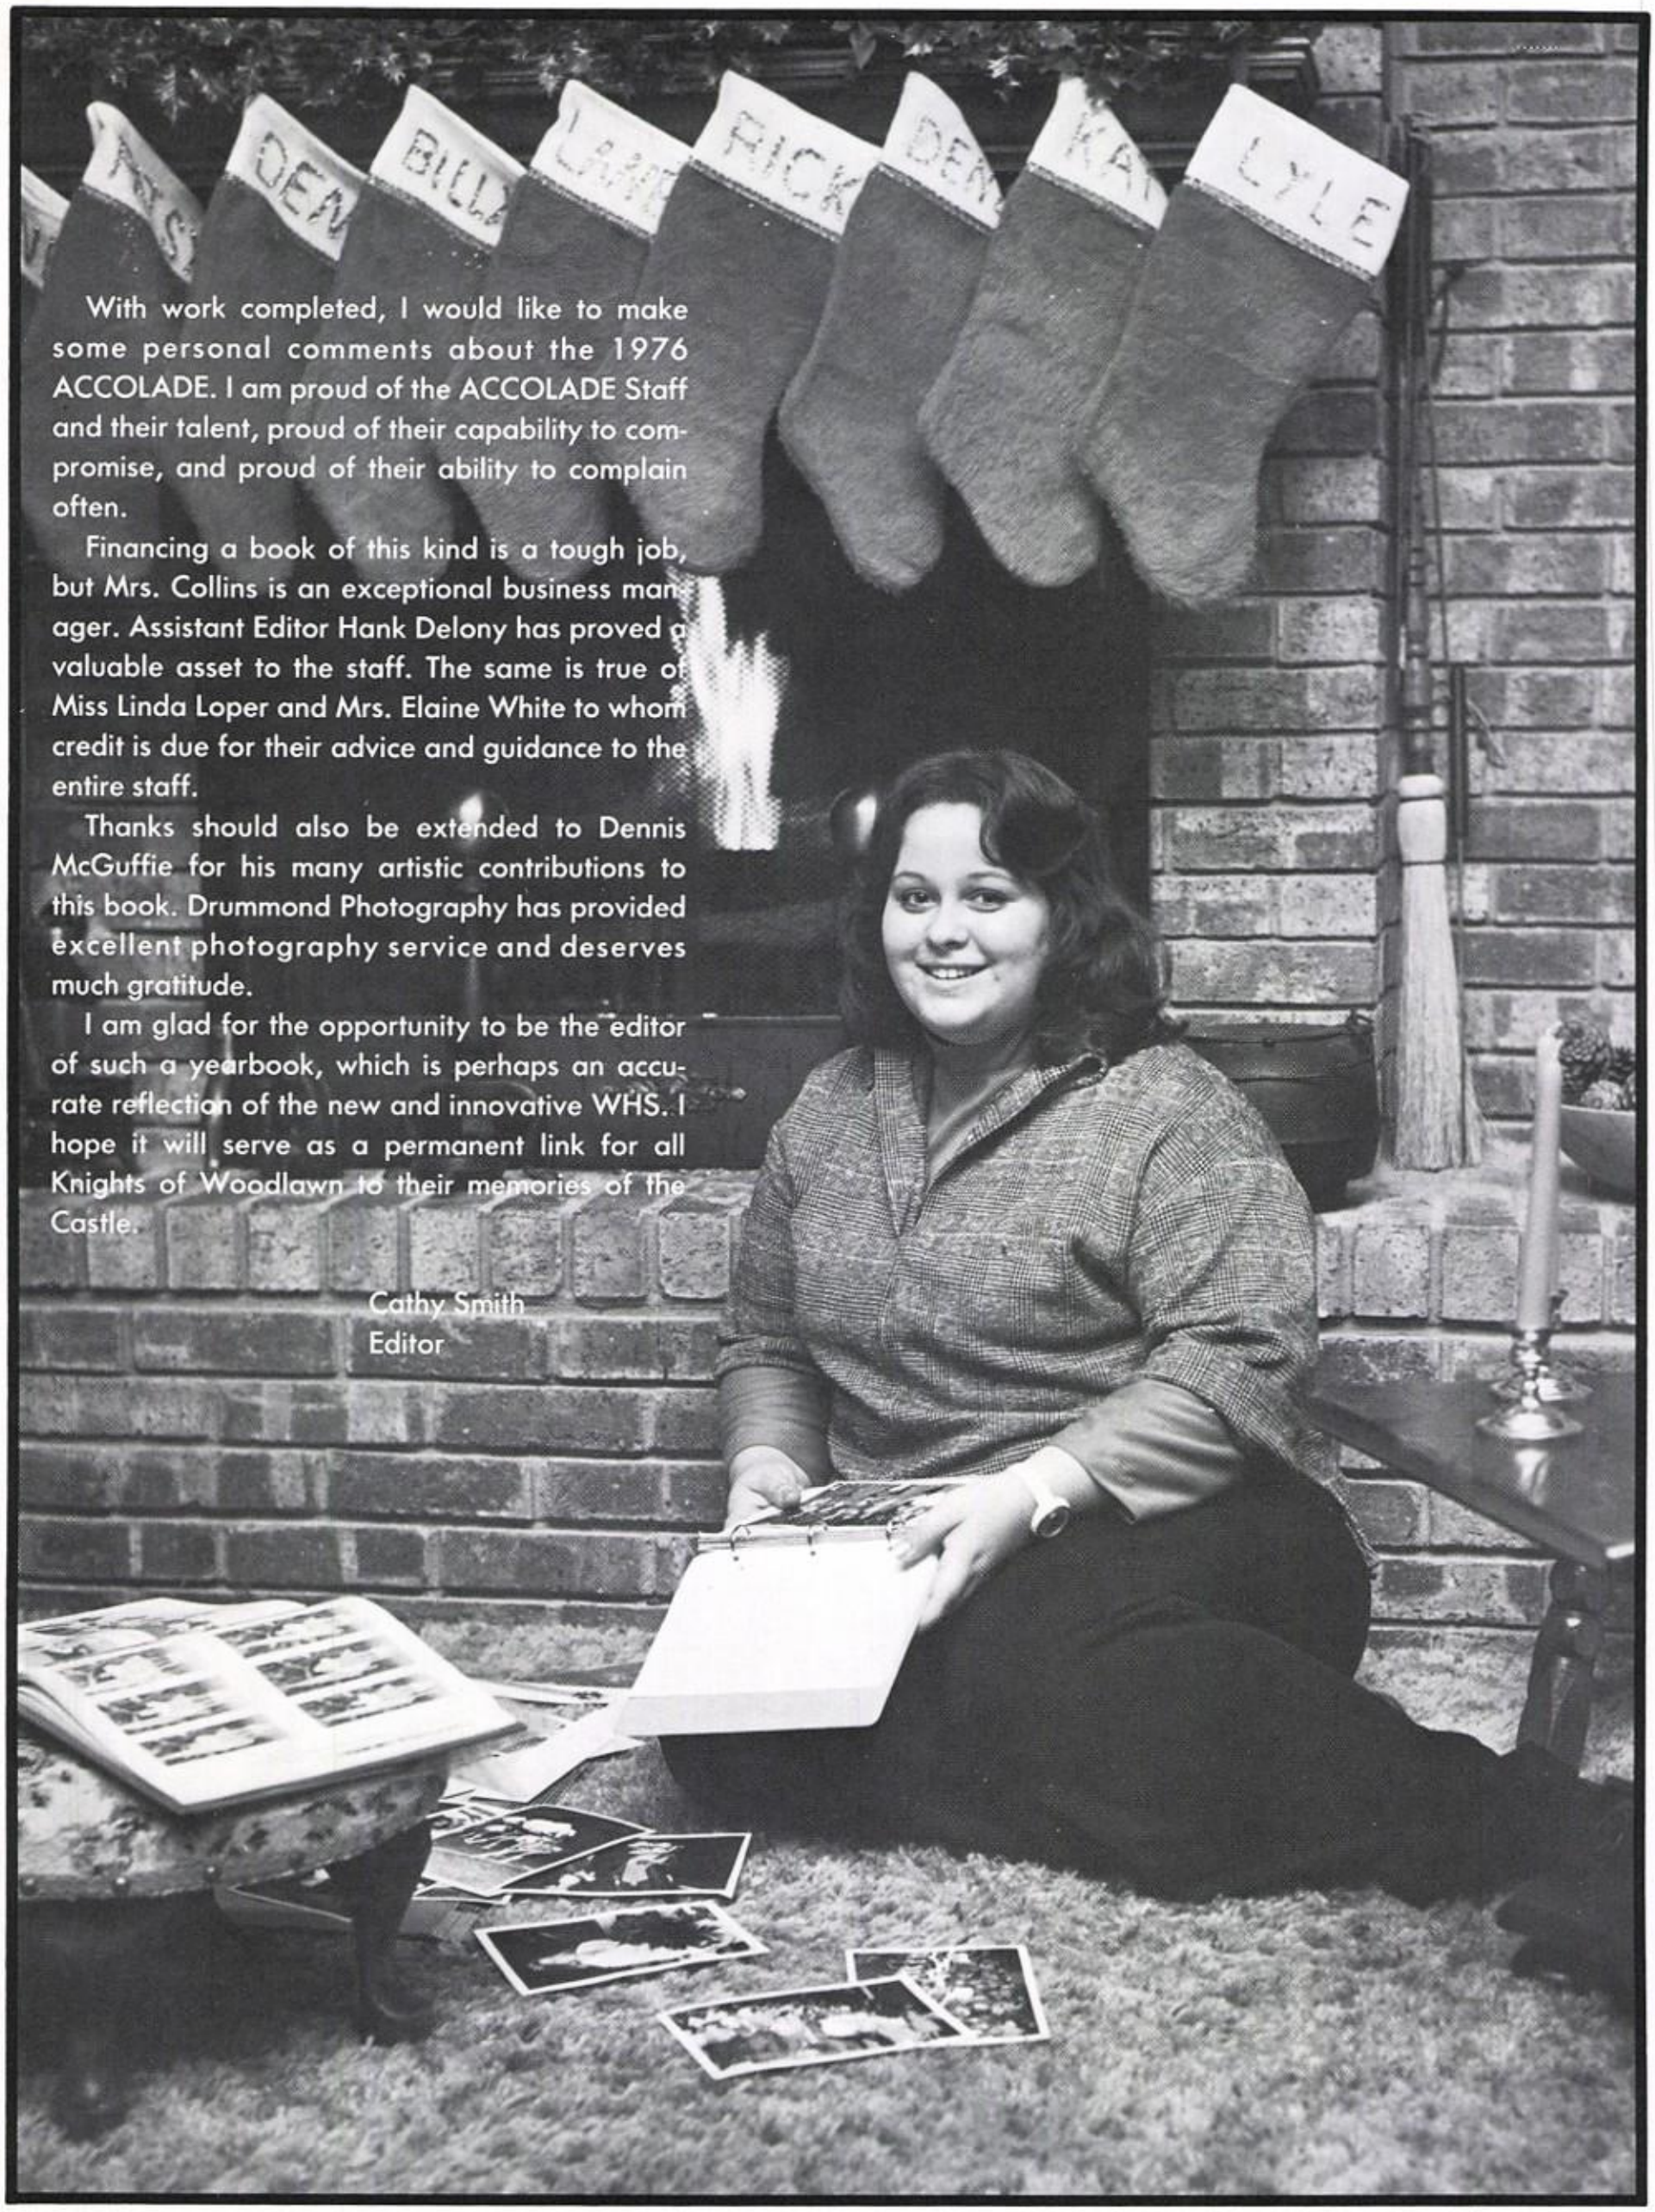
In Memoriam

Gary Leon Johnson —
December 13, 1957 — May 8, 1975

Michael Jefferson —
August 24, 1961 — February 12, 1976





With work completed, I would like to make some personal comments about the 1976 ACCOLADE. I am proud of the ACCOLADE Staff and their talent, proud of their capability to compromise, and proud of their ability to complain often.

Financing a book of this kind is a tough job, but Mrs. Collins is an exceptional business manager. Assistant Editor Hank Delony has proved a valuable asset to the staff. The same is true of Miss Linda Loper and Mrs. Elaine White to whom credit is due for their advice and guidance to the entire staff.

Thanks should also be extended to Dennis McGuffie for his many artistic contributions to this book. Drummond Photography has provided excellent photography service and deserves much gratitude.

I am glad for the opportunity to be the editor of such a yearbook, which is perhaps an accurate reflection of the new and innovative WHS. I hope it will serve as a permanent link for all Knights of Woodlawn to their memories of the Castle.
